### **ADDENDUM NO. 1**

#### ITEM #1: CLARIFICATION

The pile of twisted metal and other debris around Sta. 0+90 is the property of Liberty Recycling and shall be moved by them prior to construction (at least one week notice shall be made by Contractor to Liberty Recycling). The Contractor shall not be responsible for moving this material. Also note that any fence damaged during construction shall be returned to pre-construction conditions.

#### ITEM #2: CLARIFICATION

At this time the cost of any insurance and/or permits for work on the railroad are unknown. Bidders should be aware that direct costs for permits/insurance (associated with the Railroad ROW entry only) shall be directly reimbursed to the Contractor by the City.

#### ITEM #3: CLARIFICATION

Per discussion in Pre-Bid Meeting, Contractors shall construct project so that Liberty Recycling's entrance is never completely blocked.

#### ITEM #4: SHEET D-1.0; TRENCH DETAIL

#57 Stone Bedding (6" min. thickness) shall be required for all RCP pipe.
